# AUTHENTIQUE EPICERIE & BAR

---

“ A JOURNEY THROUGH FRANCOPHONIE ”

**Authentique – Epicerie & Bar** is the brainchild of 3 French guys who grew up with a passion for artisan food and drinks. This hybrid venue is our way to combine our enthusiasm for Francophone Gastronomy with our urge to share and learn with you about the savoir-faire, the products, their creators and terroirs. As a result, every month you will have the chance to discover one of the 12 regions we are showcasing through a carefully curated selection of wines by the glass.
