
AUTHENTIQUE EPICERIE & BAR

“ A JOURNEY THROUGH FRANCOFONIE ”

Authentique – Épicerie & Bar is the brainchild of 3 French guys who grew up with a passion for artisan food and drinks. This hybrid venue is our way of combining our enthusiasm for Francophone Gastronomy with our urge to share and learn with you about the savoir-faire, the products, their creators and terroirs. As a result, every 6 weeks you will have the chance to discover one of the French Wine Region we are showcasing through a carefully curated selection of wines by the glass.
